

1e John 3:1

| JOHN 3:1

“How great is the love the Father has lavished on us, that we should be called children of God! And that is what we are! The reason the world does not know us is that it did not know him.”

MY S tory

LORI LAMBELET, EFCA WEST

I have felt a call on my life to minister to women for many years. As the oldest of five girls, mother of two adult women, small group organizer and pastor's wife of 27 years, God has used all of these experiences to give me a passion for the Bride of Christ and women. When approached to consider the position of Mobilizer for the newly merged EFCA West (Southern California, Arizona and New Mexico) the reality of God's calling and the honor of His goodness was overwhelming.

My desire is to encourage women to love God with all their heart, soul, mind and strength and to love their neighbor equally. This would involve purposeful actions of grace to the body of Christ and an extension of proclaiming the love of Christ to each community. It is my prayer to help in any way God would lead in equipping, building and motivating women to be a vital and dynamic force. God has uniquely created women with gifts that reflect Him and these “presents” are so needed in our world.

Lori Lambelet and her husband Tom live in Rio Rancho, New Mexico where Tom serves as the Senior Pastor at Faith Church. Presently, Lori oversees Ezer (the women's team), is a small group leader and member of the praise team. She and Tom have two adult children.

MOBILIZERS AND NETWORKERS

Together Mobilizers and Networkers will serve the women of the EFCA. Our desire is each district would have one Mobilizer who serves in partnership with the district superintendent and the ReachNational Women's Ministries team. She then would oversee a team of regional Networkers located throughout her district. Together they will be available to provide on-going resources, prayer, networking, support and training to area churches and women right where they live. Their desire is to serve the women of the EFCA so that they can live healthy, balanced lives that multiply for Kingdom impact!

Look for upcoming training and networking opportunities in your districts! And if interested in hosting a training seminar and/or serving as a Networker, please contact your district's Mobilizer or the national women's ministries office. You can find contact information on page 5 in Connections and meet additional Mobilizers.
